

"As a claims adjuster, success for me is closing the file timely for a fair amount." - D. Stephens, TX

WCS After-Hours Statements!

Weatherly Claims Services

specializes in contacting people who cannot be reached during normal business hours.

Many insured's and claimants involved in auto accidents work odd hours in construction or retail. They simply do not have time during the day to give their statement.

Most files in any adjuster's pending can be worked during normal hours, but each adjuster has a few files they are having difficulty closing. WCS can help you get the facts from hard to reach people!

We look forward to earning your business!
